

U.S. Serial No.: 10/805,769
Docket No.: 2156-528A

Examiner: R. Harlan
Art Unit: 1713

REMARKS

Claims 25-42 are currently pending in this application and claims 25 and 42 have been amended.

Applicants note with appreciation the indication by the Examiner that claims 26-41 are objected to as being dependent on a rejected base claim but would be allowable if rewritten in independent form and that claims 25 and 42 would be allowable if rewritten to overcome the 35 U.S.C. § 112, second paragraph rejection.

Rejections Under 35 U.S.C. 112

Claims 25 and 42 stand rejected under 35 U.S.C. § 112, second paragraph because the phrase "solvent-developable" is unclear.

As suggested by the Examiner, Applicants have amended claims 25 and 42 to delete the term "solvent-developable." Reconsideration and withdrawal of the rejection of claims 25 and 42 under 35 U.S.C. § 112, second paragraph as being indefinite is respectfully requested.

CONCLUSION

Applicant believes that the foregoing is a full and complete response to the Office Action of record. Accordingly, an early and favorable reconsideration of the rejection of the claims is requested. Applicants believe that claims 25-42 are now in condition for allowance and an indication of allowability and an early Notice of Allowance of all of the claims is respectfully requested.
